Fun with a Purpose

What makes these experiences at Sauder Village possible is the authentic face to face interactions of our dedicated staff.

In today's world where much of our communication is done through texts and tweets, the value of real people offering fun and educational experiences is more important than ever.

The commitment to provide welcoming staff throughout our hospitality areas, as well as the costumed interpreters, craftspeople and farmers is quite an investment.

Having these dedicated people resources in place is only possible thanks to gifts from friends like you.

Whether you can help support a staff member for an hour... a day... or an entire season, **YOU can make all the difference in continuing the Sauder Village Experience.**

THANK YOU for your support of the people who make it their mission to honor the past and inspire the future for the benefit of generations to come.

We could not do it without you!
